### Notice of Vacant Offices

**Garnishment - Julie Kuntz FIELD for \$3,250,000.00**

**COMES NOW**, Patrick Neill of the family MORENO and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §411 and §16 of the Federal Reserve Act. Service to the agent is service to the principal and vice versa.

Dear Clerk of Court;

Please file and publish this Notice of Vacant Offices that have resulted in exigent circumstances where court review is impracticable. Therefore this cause is ripe for garnishment under Rule B(1)(a). This Notice is evidence that will suffice to prove court review is impracticable should Julie Kuntz FIELDS request an E(4)(f) hearing. The above garnishment amount continues to grow pending a call or visit from the Surprise, Arizona authorities assuring they will not be pursuing any of these warrants from any jurisdiction in the future. That is to say that any cause involving criminal charges from Patrick Neill's past is null and void primarily due to Julie Kuntz FIELDS being from the federal judiciary in her career past knowing that the oath of offices are across the board fraudulent and deviant in form, so that there cannot possibly any hearings where Patrick Neill could be arraigned knowing he has the right to understand the nature and cause of any prosecutions in any state, county or municipal court.

Patrick further submits refusal for cause on Eighth Judicial District Attorney, CLIFFORD E REIDEL, for deviant oath and fraud; Mr. REIDEL's oath is representing the Eight Judicial

RE 125 418 881 US

District, District Attorney; while his oath below is for Office of Eighth Judicial District, **DEPUTY** District Attorney; fraud. The Eighth Judicial District Attorney office is vacant. Additionally, Eighth Judicial District Deputy District Attorney Gordon McLaughlin, who prosecuted Patrick Neill in 18cr315, was witnessed by "District Attorney", Clifford E Reidel, who has no oath due to aforementioned fraud. Ms. Fields has previously been dismissed for her deviant oath on this record. (Doc 30)

This Notice is published as reference to edify any clerk of court as to the nature of this garnishment. DeLovio v. Boit (1815 USSC STORY) stands as clear evidence that any insurance contract (FDIC) is ruled in admiralty. Fractional lending and reserve banking depend on insurance against bank runs. The trustee cannot prosecute trustee within the trust and so equity is the only functional arena for suit. However, it is clear that the courts fraudulently portray themselves to be judicial in function and the suits are clearly portrayed as judicial benches and judicial officers presiding; all in equity. To pick up any such cause is racketeering in collusion with misprision of treason against the constitutions these same equity "judges" pretend to dearly uphold.

Patrick Neill paid a visit to the Arizona Secretary of State's Office on January 11, 2018. He was sent by the Secretary of State to get the "oath" of SUPERIOR COURT "commissioner" BARBARA L. SPENCER at Maricopa County Clerk of Court. Returning to the Arizona Secretary of State on the following Tuesday, Clerk "Marin" informed Patrick the above pictured instructions provided on the preceding Friday were wrong and the SECRETARY OF STATE did maintain records for "commissioner" SPENCER; **however, her particular OATH OF OFFICE was not currently on file in their office.** A follow-up on January 17, 2018 via telephone, Patrick Neill was told the oath was still unavailable. Therefore, any issuance, orders, judgments or decrees are null and void as the office is vacant. Marin asked Patrick return another day (indefinitely) even though "commissioner" SPENCER further detained Patrick with a \$5,000.00 bond in Arizona for a FUGITIVE OF JUSTICE charge.

RE 125 418 881 US

Being that Julie Kuntz FIELDS is not a bonded judge - that her oath is deviant and therefore being a knowledgeable attorney, she is a fraud, it is inappropriate and illegal for her to be signing dispositions regarding Patrick Neill. After Refusal for Cause on BONDSMAN DENNIS BLACKWELL's \$7500 billing "judge" FIELDS has proceeded to threaten Patrick with extradition. admittedly knowing Patrick has no appellate remedy and therefore cannot be arraigned. Following are email correspondences showing the hostility and false reporting - forgery - being committed by Dennis BLACKWELL. Attorney Janice TITUS is copied.

I am not the Court and I want judge on how the Court process is treating you, however the Court stated you failed to appear and issued warrants for arrest. With that being said your dad is going to have pay the bond out of Larimer County for \$7500.00 Case Number: 2018CR315. I have not received any notice from the Court out of El Paso County for the failure to appear on Case Number: 2017CR6545. You and dad need to give me a call as soon as possible. As you can see in the attachment the bond of \$7500.00 is due on January 27, 2019. You have two options to satisfy this:

1. Turn yourself in to Larimer County before January 27, 2019.
2. Your dad has to pay the \$7500. bond judgment before January 27, 2019.

If neither of the two options are not satisfied by January 27, 2019, you will leave me no choice but to hire a attorney in Arizona and start a collection against you dad. I hope we can get this taken care of without any more legal consequences for yourself or your father.

Sincerely  
 Dennis Blackwell

 Mr. Blackwell,

My father said you called. I understand you also told him I had missed court. That is incorrect. What has really happened is the bond extension you provided me in 18cr315 was changed by the clerk of court on two separate occasions. It was hand-written and this amended the bond document. I notified your office that I did not have a bond. After that happened, on BOTH occasions, I called your office and explained the clerk altered the bond document. I was told it was "noted". I had no idea this altered my status

RE 125 418 881 US

of being bonded. Furthermore, upon investigation, both Judge Deborah Grohs and Julie Fields, judges in my cases, have no valid oath of office on record with the Secretary of State of Colorado. These "oaths" have been altered and these administrative clerks are not even bonded to do business. I have refused for cause these oaths and copies can be obtained from the clerk of court in both cases. The Colorado constitution is clear as to what their oaths should say. They are deviant oaths and they are not bonded. You are well aware of the things they have done so I am surprised you contacted me knowing this.

As a result, the agreement was nullified by the deviant oaths of both "judges" Fields and Grohs.

You will also see that the court has since received a filing on December 7, 2018 via certified mail tracking number whereby all of their claims have been nullified. On December 11, 2018 a man going before the records clerk for El Paso County was denied a copy of this filing even though it should be public record. There is a reason they are denying copies, bond fraud.

I have to be honest, I'm extremely agitated that my rights have been visibly violated, and laws broken. Your representative witnessed these individuals commit crimes against humanity and continued to do as the court requested, despite it was unlawful. And, I informed you of a \$50,000 bond for a "charge" that no paperwork was filed on? No hearing for 28 days? And no explanation?

I have filed counterclaim against all state actors with you as the only exception. I was deceived by the court and I feel it was also your duty to ensure my bonding was legitimate. It is fraud when changes are made and it is processed with misrepresentation on the part of state actors. And your representative permitted it to continue. Someone should have called the bailiff and had the clerk arrested for fraud. I had no idea I never had a bond, simply because the clerk change case numbers before filing the document without my permission and unbeknownst to me. Again, I have no intention of pursuing legal matters with you unless further provoked with threats of my freedom using obvious fraud.

Consequently, if you have any further outstanding bill, please forward that to my father's address you have on file. I am getting emails of all correspondence immediately upon receipt. And, while I fully intend to cooperate in law, I will not consent to any proceedings whereby judges are not properly bonded. It does not take any expert to compare these oaths to Colorado's constitution and see they do not match in their language, thus vacating their seat per that same authority.

If you have any further questions, please do so in writing to the address you have for my father. He is handling all of my mail and will be sure that I get the correspondence.

Sincerely,

Patrick Neill
